- From April 2024, eligible working parents in England with children aged 2 will have access to 15 hours childcare.
- From September 2024, the 15 hours childcare offer will be expanded to eligible working parents in England with children between 9 and 23 months old.
- From September 2025, eligible working parents in England with children between 9 months up to school age will have access to 30 hours childcare.

Support is also expanding for primary-school aged children – from September 2024, parents are expected to see an expansion in the availability of childcare in their local area before and after school, between 8am and 6pm, also known as 'wraparound care'. This is to be paid-for by parents.
