

Consent on Enrolment for Normal, Routine Educational Visits

Educational visits during the school day which are part of the normal curriculum

Schools are not required to obtain consent from parents for pupils to participate in off-site activities that take place during school hours and which are a normal part of a child's education, such as local studies and visits to a museum or library, swimming lessons etc. While parents do not have the option to withdraw their child from the school curriculum, it remains good practice to inform parents that a visit or activity is to take place.

This school will inform you of any proposed educational visit of this sort through the **ARBOR Parent App by email and in-app message.**

Educational visits beyond the school day or which are not part of the normal curriculum

Educational visits beyond the school day or which are not part of the normal curriculum require consent. This consent for educational visits is given on enrolment for visits which are not further afield, residential or include adventurous activities.

This school will inform you of any proposed educational visit of this sort through the **ARBOR Parent App by email and in-app message.**

For visits which are further afield, residential or include adventurous activities, the school will request individual consent and, where appropriate, further medical information.

Educational visits during the school day which are part of the normal curriculum

- I understand that I am not required to give consent for local educational visits during the school day which are part of the normal curriculum, but that I will be fully informed by the means described above.
